

---- SHORT COURSE ----

*Micromorphology: Archaeological Stratigraphy at the
Micro-Scale*

16–20th November 2015

A 1-week intensive, hands-on short course focussing on the application of micromorphology to the interpretation of archaeological and palaeoenvironmental sequences

VENUE

University of Wollongong, Science
Teaching Facility, Wollongong,
NSW, Australia

TEACHING STAFF

The course will be run by Professor
Paul Goldberg & Dr Mike Morley
(UOW), with invited guest speaker
and instructor Professor Chris
Miller (Tubingen, Germany)

***"This is a course aimed at
students, academics and
professionals, for those
wishing to explore the basics
of micromorphology or to
build on their existing skills
and experience"***

COURSE CONTENT

The course will include:

- Use of a brand new digital
science teaching facility
located on the main campus

- Both thematic lectures and
practical microscope work
- Guided sessions with
attendees invited to bring
their own thin sections
- Recording and reporting
- Optional introduction to
FTIR and Raman
spectroscopy

COST

The cost of the course is **\$600**
(10% student reduction)

- Includes breakfast, lunch
and tea/coffee
- Does not include
accommodation (full list of
options will be available)
